For: TOOL FOR MEASURING MAGNETIC
PROPERTIES AT HIGH TEMPERATURES

Examiner: Aurora, Reena

SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Second Supplemental Information Disclosure Statement is filed after the mailing date of an *Ex Parte Quayle Action* but prior to issuance of a Final Action or Notice of Allowance. This Information Disclosure Statement accompanies the Quayle Action submitted herewith.

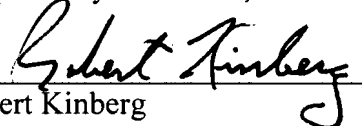

The above-identified application is a national stage application of PCT application No. PCT/EP2003/011086, published as WO 2005/040842 A1. The references listed on the enclosed PTO/SB/08 were previously cited in the Information Disclosure Statement submitted on April 7, 2006. In preparing the response to the Quayle Action, we noticed that the Examiner did not initial and make of record certain references listed on the PTO/SB/08 submitted on April 7, 2006. The

references not considered were those references that should have been sent by the European Patent Office under the Document Exchange Program between the USPTO, EPO, and the JPO. For the Examiner's convenience, enclosed are copies of these references. Since these references should have been previously submitted by the EPO as of April 7, 2006, the Applicant does not believe that a fee of \$180 should be applied. However, authorization is given to charge such fee to our deposit account No. 22-0261, if the Examiner considers it necessary. The relevance of the non-English language documents is provided in the English language International Search Report (copy enclosed). In view of the above, the Examiner is respectfully requested to consider the listed reference and make these of record.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0261, under Order No. 31583-229742. A fee transmittal is enclosed.

Dated: November 5, 2007

Respectfully submitted,

By 
Robert Kinberg
